

# My Stupid Day

It all started when I wake up , my brother sprayed me with a big bottle of water, all of my anger attacked him ,then a taxi picked me to my college , it took me 5 minutes to arrive , after the taxi went away I checked my pocket if I forgot something , I didn't find my phone . I arrived the college at 9:35am, and the class started at 9:00am, so I am late 35minutes.

Before entering the college, the floor was filled with water and soap it was very slippery, I stepped on the floor, I slipped and fell on my back, and I was a soap ocean looking. I went back to my home to change my cloths, but I didn't come back because the class ended , after 2 hours , I was so bored ,but I came with an idea to go cycling.

But in the middle of a main street my bike wheel pop out. I put my bike a side and went to buy some snacks that I like, so I can feel something made me happy in this stupid day, but I couldn't find anything that I like, I wanted to go back to my home, but I didn't find my bike...it's stolen!, hopefully someone take me back to my home "please god let this day ends!".
