Grade 1

Subject	Material Covered in Class
Arabic	تجريد حرف الدال /التعرف على شكل الحرف وصوته /المد الطويل والقصير /مقاطع الحرف/تحليل وتركيب كلمات تحتوي على الدال
English	<p>This week, students practiced <b>reading the story “Show and Tell”</b> line by line and took turns in <b>individual reading</b>. They also worked on <b>writing simple sentences</b> such as “<i>My friend is ...</i>” and “<i>My family is ...</i>”, and practiced key words like <i>friend, family, rabbit, table</i>.</p> <p>In addition, students participated in a <b>Show and Tell activity</b>, where they brought an item from home and gave a short presentation to their classmates. A <b>comprehension worksheet</b> related to the story was also completed in class.</p>
Math	<p>This week in Math, we focused on <b>skip counting and number patterns!</b></p> <p>The children learned how to <b>count by 5’s up to 100</b>, and how to <b>count by 10’s starting from any number up to 100</b>.</p> <p>We also explored the <b>100-square chart puzzle</b>, where students discovered that:</p> <ul style="list-style-type: none"> <li>• Moving <b>down a column</b> means we are <b>counting by 10s</b>, and</li> <li>• Moving <b>to the right in a row</b> means we are <b>counting forward by 1s</b>.</li> </ul>
French	<p>We reviewed the school supplies and we added three: le livre “a book”, le cahier “a notebook” and la trousse “a pencil box “, we practiced also to write a simple sentence: “je m’appelle----”</p> <p>You will find PowerPoint on LMS.</p>
