

المادة المطلوبة لإمتحانات الشهر الثاني الصف الخامس

Monday 27/10/2025 English

Please review the following topics carefully. All of them are important and required for the upcoming assessment:

Reading Comprehension:

Learner's Book pages 49, 50, and 56

All the questions answered in your notebook related to these pages are important.

1. Homonyms and Homophones:

Be able to find a pair of homonyms or homophones.

Understand the meanings of the roots:

homo = same

phone = sound

graph = writing

2. Relative Pronouns:

Be able to find and identify them in the text.

3. Adjectives and Adverbs:

Be able to find and identify them in the text.

4. Ellipses (...):

Understand their function and where they are used in writing.

All notes written in your notebook related to these topics are important and must be revised.

Note:

Writing (How to Write a Story) will be completed in another session.
