Grade 6

Subject	Material Covered in Class
Arabic	الانتهاء من شرح قصيدة وطني الأردن والهمزة المتطرفة وحل ورقة العمل المتعلقة بها والبدء بحل ورقة عمل استخراج.
English	Grammar and Writing book. Reading P.20+21. - Doing Questions 1-6 P.22+23 Present Tense practice. (Writing paragraphs using simple and continuous tenses)
Math	This week, the learners worked on rounding numbers to a given number of decimal places (Unit 3, Lesson 2), and we completed all related questions from the Learner's Book, Exercise 3.2, on pages 71, 72, and 74. After that, we started a new topic, Ordering Decimals (Unit 4, Lesson 1, 4.1), and completed the questions from Exercise 4.1 on pages 79, 80, and 81, then, I provided them with a worksheet on ordering and comparing decimals to reinforce their understanding of the new topic.
Science	Atoms, elements, and the periodic table. Know the meaning of atoms and elements. Atoms and elements study sheet (you can find it on the LMS). The first 20 elements in the periodic table are included. A study sheet related to the covered material will be sent during the upcoming week. Wb page 26,27and 28.
Christian Education	تم أخذ نبذة عن درس أترك كل شيء وقراءة الكتاب المقدس وشرحه بما يخص الدرس والتعلم على استخراج الكتاب المقدس
Islamic Education	تم حل اسئلة درس الصحابي الجليل عثمان بن عفان والبدء بدرس صلاة المسبوق
اجتماعيات	تم حل اسئلة درس العصور التاريخية والبدء بدرس الحضارة
French	We started a new lesson; we now know what is there in a supermarket and how to use the articles. Learners book page 14 and page 58.
