Too big!) in the grammar and writing skill book, did activity worksheet Spelling pop: 10 dictation words (smile, show, move, sleep, bake, cake, hot, cold, happy, sad). Handwriting: pg 43(A surprise) writing neatly between the lines. Vocabulary: words and meaning are written in the classwork notebook. Comprehension worksheet (The Lost Kitten)
Math	This week we learned how to compare 3-digit numbers using the less than (<) , greater than (>) , and equal to (=) signs. Students practiced identifying the place value of each digit to decide which number is bigger or smaller. We also learned how to count forward and backward by 100 starting from any number. We discovered that when we count by 100, we simply add or subtract 1 from the hundreds place while the tens and ones stay the same.
French	Reading comprehension, learners book pages 14 and 15.
Science	Activity worksheet (cut, match, and draw) Shadows. Did worksheet (transparent, translucent, and opaque) Did workbook pg 40, 43
