## Present Continuous

### What is the Present Continuous Tense?

We use the **present continuous tense** to talk about actions happening **right now**.

---

### Form: am / is / are + verb + ing

Subject	Helping Verb	Example
I	am	I <b>am eating</b> lunch.
He / She / It	is	She <b>is reading</b> a book.
You / We / They	are	They <b>are playing</b> soccer.

---

### Spelling Rules for Verbs + ing

1. Just add **-ing**:

- play → playing
- jump → jumping

2. If verb ends in **-e**, drop the **e** and add **-ing**:

- make → making
- write → writing

3. If verb ends in 1 vowel + 1 consonant (CVC), double the consonant:

- run → running
- sit → sitting

---

## ✗ Negative Sentences

- I **am not** watching TV.
- She **is not** (isn't) dancing.
- They **are not** (aren't) eating.

---
