الدولية - الفحيص

Name: _____

Date: _____

Subject: Math

extra worksheet #2

Class: Grade 2 (A , B ,C)

- Before you start to answer read the note below

Note : while underlining the digits to show which are hundreds (**H**) tens (**T**) and which are ones (**O**) — then write the letters **h**, **t** and **o** under them to make the place values clear the add the hundreds together tens together and the ones together .

$$\begin{array}{ccccccc} \underline{5} & \underline{2} & \underline{6} & + & \underline{3} & \underline{2} & \underline{1} = \underline{8} & \underline{4} & \underline{7} \\ \text{H} & \text{T} & \text{O} & & \text{H} & \text{T} & \text{O} & \text{H} & \text{T} & \text{O} \end{array}$$

H= hundreds

T= Tens

O=Ones

Calculate the following horizontally:

• **$752 + 134 =$** _____

• **$237 + 251 =$** _____

• **$134 + 542 =$** _____

• **$564 + 302 =$** _____

• **$752 + 231 =$** _____

• **$436 + 501 =$** _____
