**Instructions:**

You have read about many interesting animal myths — like bats being blind, ostriches hiding their heads in the sand, and sharks smelling a drop of blood from miles away.

Now it's your turn to be creative!

**Write a short paragraph (50–80 words) about an imaginary animal myth.**

In your paragraph, include the following:

1. The **name of the animal** and what people *believe* about it.
2. Explain **why this belief is not true** (use your imagination or logic).
3. Add an interesting or funny ending.
